FOREWORD

This order provides guidance and prescribes procedures for designated pilot examiners, pilot proficiency examiners, airman certification representatives, and National Designated Pilot Examiner Registry examiners. It delineates privileges, responsibilities, and limitations of examiner designations and authorizations.

All users of this handbook shall familiarize themselves with its contents and comply with the instructions and guidance contained herein.

Suggestions for changes or comments on the content of this order are invited and will be given careful consideration. Please use the Examiner Feedback Sheet, included on the last page of this order to submit your comments. If an interpretation is urgently needed, you may call the General Aviation and Commercial Division, AFS-800, at (202) 267-8212 for guidance. However, you should also use the Examiner Feedback Sheet as a follow up to the verbal conversation.
